

Loudoun & Galston Agricultural Association

Schools' and Nurseries' Competition 2017

The competition as always proved as popular as ever, with the children's work impressing all who viewed it. Well done to all the children whose work was on display from Darvel, Galston, Newmilns and St Sophia's primary schools, Darvel ECC and Newmilns ECC.

The judges were extremely impressed by the quality of the entries and certainly had a difficult task deciding on the winners. There were 48 classes taking part with 964 entries. The judges awarded over 250 certificates to participating pupils with prizes for 1st, 2nd, 3rd, 4th and Highly Commended in each class. Special awards, donated by Gemmell's Garden Centre, were given to the top ten outstanding nursery / infant entries. Special RHET prizes were awarded to the top placed classes out with the overall winning class.

Many thanks must go to our sponsors this year: NFU Mutual, Saxen Ltd, Lanfine Estate, McConnell Pharmacy, Loudoun Osteopaths, J & J M Cochrane, Gemmells Garden Centre, Tesco's Galston, DC7 Vending, D Bryson and RHET.
